TOWER – TABLE LAMP

REF TL 034

A profile of this light's base section was developed after spending time playing with Bauspiel blocks used by the Bauhaus school. Two triangular metal shapes meet at a rectangular marble block in the centre. Linear rectangular arms sit at the top of triangles, joining the base and the shade together. A thin metal shade sits gracefully at top of the arms with an opaque diffuser underneath.

MATERIAL:

Electroplated Iron/ hand brushed finish

LIGHT SOURCE: Integrated LED light strip

FINISH:

Brushed brass/ honed white marble/ brushed grey
metal shade/ opal white
(Other finishes available)

WATTAGE: 12W

COLOUR : 3000K
